## 6" LAP SIDING

Mastic EverPlank Lap siding brings the timeless beauty of natural wood to the exterior of your home. Innovative, end-to-end installation provides the seamless appearance of wood planks with no overlap—creating an all-American aesthetic perfect for saltbox homes, craftsman bungalows, midcentury ranches and modern farmhouses.

**10" BOARD & BATTEN**  
Broader, flatter  
panels for a premium,  
sophisticated look

## 10" BOARD & BATTEN SIDING

Mastic EverPlank Board & Batten siding adds depth and distinction to the exterior of your home. This popular siding style provides a modern touch and a dramatic sense of height when used on the home's entire exterior. Use as an accent to highlight architectural features including entryways, gables, dormers and more.

**1-1/4" PVC TRIM**  
18' lengths to minimize  
seams on long runs

## PVC TRIM ACCESSORY PACKAGE

Mastic EverPlank PVC Trim Package is engineered with a premium 1-1/4" (6/4) thickness for use with Mastic EverPlank Lap and Board & Batten siding. Consistent dimensions, flawless production and edge seals for cleanliness provide a high-end look that eliminates the need for J-channel and other vinyl accessories.
